

Shopify Management Services Agreement

Agreement Date: [14 Sep 2026- 14 Dec 2026]

The Shopify Store Management Services Agreement is made between:

1. Service Provider

Name: Waquei-ur-Rehman

Phone Number: +1(343)667-2436

Email: waqueimalikmalik01@gmail.com

2. Client:

Name: Ahmed Sami

Phone Number: 03350551213

Email: aahmedsami01@gmail.com

3. Purpose of Agreement:

The Client appoints the service provider to provide **Shopify store management** and **related e-commerce services** for the client's online store.

The Service provider will provide the services described in this Agreement according to the agreed scope.

4. Services Provided:

Shopify Store Management:

The service provider's team provide the following services:

- Shopify store setup
- Store management
- Theme Customization
- Store Optimization

Product Management:

- Product Hunting
- Product Listing
- Product Descriptions
- Product categorization
- Pricing Updates
- Product Images

Order management:

- Monitoring Orders
- Updating Order Status
- Managing order-related information
- Assisting with cancellations/refunds when authorized by the client

Digital Marketing:

The Client has allocated an advertising budget of PKR 300,000 for a period of three (3) months. Our team will strategically plan, manage, monitor, and optimize the advertising campaigns throughout this period to make the most effective use of the allocated budget. Campaign performance will be evaluated and optimized based on audience response, market conditions, product demand, competition, and other relevant factors. The Service Provider will make every reasonable effort to achieve strong campaign performance and maximize the potential of the

advertising budget; however, results may naturally vary based on factors beyond the Service Provider's direct control.

Service Provider's Share:

The minimum percentage charged by the service provider shall be 20%. However, the parties agree that the percentage share shall be determined based on the level of profit generated: if the profit generated is 150,000 PKR or more, the percentage share shall increase to 30% and continue to scale proportionally, decreasing when profit is lower. The parties shall mutually review and agree upon the applicable percentage at the end of each accounting period.

Management Charges:

Store Designing	\$81
Product Hunting and Listing	\$81(20-25 products)
Management	Percentage based on overall profit

The charges for Store Designing and Product Hunting shall be paid in advance.
